16” Green Machine
Assembly Instructions

Date of Purchase: ___________________
Please write the date of purchase. You should also retain the sales receipt.

THIS DOCUMENT CONTAINS IMPORTANT SAFETY INFORMATION. READ AND KEEP FOR FUTURE REFERENCE.
PLEASE READ AND FULLY UNDERSTAND THIS OWNERS MANUAL BEFORE OPERATING THE PRODUCT

This symbol is important. It is the WARNING symbol. The warning symbol precedes safety instructions. Failure to follow these instructions may result in injury to the rider or to others, or damage to the product.

All wheeled vehicles will provide safe, enjoyable transportation and recreation when used and maintained properly. Like bicycling, skateboarding, and in-line skating, riding can be dangerous even under the best of circumstances. We do not want you to get hurt. Please follow all safety rules and operating instructions.

This toy should be used with caution since skill is required to avoid falls or collisions causing injury to the user or third parties.

WARNING - TO AVOID SERIOUS INJURY:

- Adult assembly is required.
- Continuous adult supervision is required.
- Product does not have a brake - operator back pedals to slow or stop.
- Ensure rider can reach the pedals through full range of motion.
- Always wear a CPSC approved helmet while riding, with the chinstrap securely fastened.
- Always wear shoes when riding.
- Ride on smooth paved surfaces. Do not ride on streets or roadways.
- Always comply with local laws and regulations.
- Never use near motor vehicles.
- Do not ride on hills, steeply sloped areas, on or near steps, near swimming pools, or in alleys.
- Do not ride the product at dusk, at night or at times of limited visibility.
- Do not ride off road, on grass or wet surfaces.
- Do not ride the product over curbs or bumps that can damage the steering mechanism.
- Do not ride the product without the flag installed.
- Do not wear headphones or anything else that would impair your ability to hear or see.
- Do not jump or ramp product.
Safety and Warning Information - continued

- Do not tow the product.
- Do not pull any objects with the product.
- Do not push the product.
- Never ride with more than one person. Maximum weight is 80 lbs (36Kg).
- This product should only be used by persons 5+ years of age.
- Excessive weight may cause a hazardous or unstable condition.
- Replace worn or broken parts immediately.
- If anything does not operate properly, discontinue use.
- Understand all operating procedures before riding.
- Do not add a motor to the product.
- Do not modify the product.
- Before each ride check all screws and fasteners; re-tighten any that are loose. Replace any fasteners that are damaged.
- Know your limits. Be familiar with your abilities. Use common sense.
Assembly Notes

**Tools necessary for assembly:**
Phillips screwdriver

The instructions in this manual refer to the right and left side of the product, these are defined from the rider position.

Do not discard any parts until the unit is completely assembled.

⚠️ **WARNING:**

Wheels & Axle:
- The wing-nuts must be securely tightened to ensure rear wheels do not come loose from the axle.
- All hardware must be sufficiently tightened to ensure it does not come loose.

Pivot Bolt:
Pivot hardware must be correctly installed to ensure they do not come loose.

Steering Function:
- Over tightening the steering linkage may prevent the steering from operating properly.
- Pulling back on the right lever, and pushing forward on the left lever will turn the product towards the right.
- Pulling back on the left lever, and pushing forward on the right lever will turn the product towards the left.
- Steering this product takes some practice. Ensure the rider can properly steer the product. Practice in an open area.

Seat:
Secure the seat bolt each time the seat is moved.

Flag:
The flag is provided to make the rider and the product more visible. Do not use the product without the flag installed.

Huffy Warranty Information

General:
• Part or model specifications are subject to change without notice.
• This Limited Warranty is the only warranty for the product. There are no other express warranties.
• The only uses for this product are described in the Owner's Manual, on the product or in any additional documents provided with the product. Warranty registration is not required.
• The Limited Warranty extends only to the original owner consumer and is not transferable to anyone else.
• All warranties are from date of purchase.

What does this Limited Warranty cover?
This Limited Warranty covers all parts.

What must you do to keep the Limited Warranty in effect?
This Limited Warranty is effective only if:
• the product is completely and correctly assembled;
• the product is used under normal conditions for its intended purpose (see the following section for excluded activities);
• the product receives all necessary maintenance and adjustments.

What is NOT covered by this Limited Warranty?
This product is designed for recreational use only. This Limited Warranty does not cover normal wear and tear, normal maintenance items, or any damage, failure, or loss that is caused by improper assembly, maintenance, adjustment, storage, or use of the product.

This Limited Warranty will be void if the product is ever:
• Used in any competitive sport
• Used for stunt riding, jumping, aerobatics or similar activity
• Modified in any way
• Ridden by more than one person at a time
• Rented
• Used in a manner contrary to the instructions and warnings in the Owner’s Manual, on the product or in any additional documents provided with the product.
The Limited Warranty does not apply to incidental or consequential loss or damage due directly or indirectly from use of this product. Some States do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you.

What IS covered by the Limited Warranty? (except as noted below)
Components determined by the manufacturer to be defective will be replaced, without charge to you.

What rights do you have?
This Limited Warranty gives you specific legal rights. You may also have other rights which vary from State to State.

How do you report a problem with this product or submit a warranty claim?
• Contact Consumer Service - See included list for Consumer Contact information.

In Australia or New Zealand:
The following text is incorporated into this Limited Warranty if this product was purchased in Australia (but it is not incorporated if such product was purchased in New Zealand):
Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Do not return to the place of purchase.
For Australia or New Zealand Warranty contact info, please see supplied contact sheet.

How long does this Limited Warranty Last?
Excluding the wheels, all components are warranted for six (6) months from the date of purchase.
Helmet should sit level on your head and low on your forehead.

- Adjust the strap sliders below the ear on both sides.
- Buckle the chin strap. Adjust strap until it is snug.
- No more than two fingers should fit between the strap and your chin.
- Adjust the strap sliders below the ear on both sides.
- A proper fitting helmet should be comfortable and not rock forward/backward or side to side.

Always read the user manual that comes with your helmet to make sure it is fitted and attached properly to the wearer’s head according to the fitting instructions described in the user manual.

Heelmet should sit level on your head and low on your forehead.

WARNING:

ALWAYS WEAR YOUR HELMET WHEN RIDING THIS PRODUCT!
